Dear Rodric,

Martin is at a funeral this afternoon. He asked me to forward these documents.

Also I spoke to a consultant about 15 mins ago who rang to run a position statement by us for the board on Monday, relating to not commenting on turning points in criminal cases that have gone to trial. I am waiting to speak to Simon on the subject, but have yet to receive an email from the consultant with her details to respond.

regards

Andrew Bolc
