Moya/ Emily, thx for passing this through. No need for the joint meeting - I have written to Oliver Letwin today to invite him to join his colleague James Arbuthnot at a meeting already planned with Alice and me.

There is no issue with Horizon - it has been tested; and in fact upheld as robust by the courts.

On a different note, our teams have worked well today on the 'stamp rush'. We will be monitoring the helplines for you; and provided Stephen can get the stocks into the Swindon warehouse, we should be able to stay on top of it. There was and will continue to be good liaison.

Best,  
Paula
