Attachment: DraftFutureApproachPaper APPENDIXES RW 21.01.14.doc

Chris,

Please find attached the draft Board Paper on Future Prosecutions which Hugh and I have been working on, along with its Appendices.

Please let me know how you would like to feed back your comments. Once we have them, I can get PA to look at the formatting so that it is consistent with the other reports (e.g. the briefing note to Alice).

Thanks, Rod
