ROYAL MAIL GROUP SECURITY INVESTIGATION COMMUNICATION 6-2014

Date: 9th July 2014

Issued to: All Royal Mail Group Security Investigators

SUBJECT: JOINT INVESTIGATION PROTOCOLS RMGS AND PO LTD SECURITY

The nature of the relationship between RMGS and PO Ltd Security has had to become more prescribed as a consequence of the separation of the organisations and privatisation of Royal Mail Group. Accordingly a new Procedures and Standard Document 2.2 Joint Investigation Protocols RMGS and PO Ltd Security has been produced and published on RMGS Sharepoint Site. All Investigators should read these P&S and follow the protocols as appropriate

What remains unchanged however is a shared enthusiasm to remove offenders, resolve crimes and to work together for the mutual benefit of each organisation and we will continue to share intelligence and work closely with our colleagues in PO Ltd Security.

A link to the new P&S is below
