**Subject:** Second Sight Part Two report  
**Attachment:** private.pdf

I have scanned in a copy of the Second Sight part two report that Angela got from Second Sight on Wednesday. I know that we are awaiting a further draft I thought you might want a copy of this. Comms are also going through this.

Rod, you may want to send this over to Linklaters in the first instance just in case SS don't come back with a revised draft today.

Best wishes  
Belinda
