Sarah

Many thanks for your e-mail. I spoke with Paul Williams yesterday and Paul advised me that he has already spoken with Tahira and provided her with some background information on the case. As the main thrust of Mr Rudkin's letter concerns the impending prosecution case brought against his wife, Paul has quite rightly directed Tahira to the Post Office Ltd Fraud Team who are actioning the prosecution. I therefore don't think that there is any further input required from ourselves in this particular case. Please do not hesitate to give me a call should you require any further information. Many thanks.

Regards

Glenn

Gents

I've left a voicemail for both of you but thought I'd follow it up with the email below.

Could you take a look at the attached and let me have the background to the case, and the current situation please? Paul - I've sent this to you as well as it looks like it was one of your branches before the reshuffle.

If you could get back to me asap it would be much appreciated.

Thanks

Sarah

URGENT Advice needed - Flag Case FCT72(2232170)

Hello All

Firstly, apologies for sending a group email. We have received the attached letter addressed to Alan Cook who has indicated that he would like to respond personally.

Briefly, it appears that the husband has been reinstated following a suspension, and losses of £44,000. It appears that the wife was actually responsible for the loss without any knowledge of Mr Rudkin.

As you will see from the letter, Mrs Rudkin's first hearing before the magistrate is on Friday 13 March.

Mr Rudkin has detailed a very personal plea to Alan Cook for assistance in the matter.

Would it be possible to advise me of the background to this case and an update on the current situation so that I may draft a response for Alan's signature.

Please do not hesitate to call me if you have any questions.

Many Thanks
