Robert

Can you help with below question, if not just send it back to me.

Maureen

Piable _ Mr William Quarm - 147 869

Good Morning

Could someone advise me on the above please. I see that Mr Quarm had entered into insolvency due to his inability to pay his debts but I see from he Citation that the case would be heard on the 2nd June 2009.

Has the investigation file been closed and/or could you provide me with the latest progress.

Kind Regards

Zoe
