Andy

As discussed.

Can you please provide another full statement for the above office including in the outcome of the faults reported that it would have had 'no affect on any counter discrepancy'. I appear to have mislaid the original statement and so will use the copy I have as unused.

Additionally can you exhibit the disc detailing the call logs (0607/489).

Please can you send the statement to my home address:

Any problems give me a call.
