Christa

Good to meet you. One document from me to add to the ones David has already sent you. It is the paper I sent to the Board for discussion last week.

A further request:

You suggested Post Office might wish to write to Second Sight in response to the comment in their report on case [] (which David has already sent you) we discussed.

We are minded to send such a letter but would need to do so early next week. Would you be able to draft us a letter along the lines you described which challenges the Second Sight assertion?

Best wishes and have a good weekend.
Belinda
