Alwen - I didn't have any particular views. The only one was to question what the risk of mediation (or other routes) were in raising legal risks, i.e. if we go down the mediation route such that we start to make payouts, what's the risk that this encourages either more cases or otherwise existing cases to press for more compensation as the ex-gratia payments are taken as a sign of admission legal responsibility / wrong doing.

Many thanks

R

Dear All

Just a gentle reminder.

On Tuesday I circulated a paper, on behalf of Chris Aujard, setting out the scope of the Sparrow work which we are asking Linklaters to undertake. (Copy attached for convenience).

We need to push ahead with this work so could I ask for any comments by no later than first thing Monday morning.

Thank you Susannah for yours.

Many thanks
Alwen
